Shri S.D. Sanjay, learned senior Advocate appearing for the respondent-University states that counter affidavit separately dealing with each one of the issues stands filed and most of the grievances highlighted by the writ-petitioner, who appears to be a busy body, already stand redressed.

The counter affidavit is not on record. However, the contents thereof have been read out to us.

The issue of payment of Hostel Fee and Mess Charges stands settled. No student is required to pay the same unless and until the accommodation is allocated and occupied by the student(s). In so far as Tuition Fee is concerned, it already stands paid by the students by way of mechanism adopted by the University i.e. Easy Instalments. Also, none of the students have raised any objection or have any pending grievance with regard thereto. In so far as the issue of payment of premium of Insurance is concerned, the same is voluntary in nature and not mandatory. As such, it is open for the students to make payment and take benefit of the cover of the insurance policy.

We are of the considered view that most of the grievances already stand redressed and as such no fruitful purpose would be served by keeping the present petition pending.

As such, we dispose of the present petition in the following terms:

(a) statement made on behalf of the University is accepted and taken on record;

(b) surviving grievance(s), if any, may be agitated by the aggrieved party i.e. student(s) of the Institution directly with the authorities;

(c) we are sure that as and when any such request is received, the same shall be considered and decided expeditiously, though sympathetically, but in accordance with law;

(d) no opinion expressed on merits.

Petition stands disposed of in the aforesaid terms.
